

Second MFront Users Meeting

EDF Saclay on May, 20th 2016

The second MFront Users meeting will take place on May, 20th 2016 at EDF Lab Paris Saclay and will be organized by EDF R&D.

Researchers and engineers willing to present their works are welcomed. They may contact the organizers for information at:

tfel-contact@cea.fr

Registration is *required* to ensure proper organization and will be opened on February using a dedicated form on the Code_Aster website:

<http://www.code-aster.org>
